CHAIRMAN'S MESSAGE

CA Harshit Desai

Chairman, Anand Branch
of WIRC of ICAI

Dear Esteemed Members,

Warm greetings to each one of you.

August is a month that stirs something deep within every Indian heart. As our Tricolour flew high on the 79th Independence Day, we were reminded that freedom is not merely inherited — it is upheld, every single day, by professionals who serve the nation with honesty and diligence. As Chartered Accountants, we are proud custodians of the financial discipline on which a strong and self-reliant India is built.

This August, our Anand Branch carried that very spirit of nation-building into everything we did — through learning, through outreach, and through professional excellence.

We began on a refreshing note with our 24th Residential Refresher Course at the serene Savshanti Lake Resort, Saputara, from 7th to 9th August. Amid the hills and the lakes, our members came together for two enriching 'MindBenders' technical sessions on Direct and Indirect Taxes, led by CA Sanjay Patel and CA Hardik Patel. It was a beautiful reminder that the finest learning happens where knowledge meets fellowship.

On 21st August, we turned towards the future of our profession. At a Career Counselling Programme in Nadiad, we met hundreds of bright young students and opened before them the door to the CA journey — sharing not only what our profession is, but what it can make of them. To light a spark in a young mind is, perhaps, the finest service a professional can render.

We closed the month sharpening our craft. On 22nd August, our seminar 'Tax Audit — Under the Lens' at Anand brought CA Jainish Parikh to guide us through the issues, clauses and best practices that define quality audit work — a timely session as the busy season draws near.

Dear members, this August reminded us that our profession is at its finest when it learns continuously, gives back generously, and upholds the highest standards unfailingly. The freedom we celebrate is best honoured by the excellence we practise every day.

Together, let us keep learning. Together, let us keep serving the nation.

With warm regards,
CA Harshit Desai
